Communication & Collaboration | Time Management |
Attention to Detail

Professional Experience

Short Film – "Asshole"

Role: Director

- Directed the short film from script development to final post-production, ensuring a unified creative vision.
- Developed the screenplay, storyboard, shot breakdown, and shooting schedule.
- Led a cast and crew of 15+ members, coordinating production across cinematography, sound, art, and production teams.
- Directed actors and collaborated with the cinematographer on shot composition, camera movements, and visual storytelling.
- Managed on-set continuity, production timelines, and creative problem-solving throughout filming.
- Supervised editing, sound design, background score, and final cut to deliver the completed film.

Academic Film Projects, LV Prasad college of media studies

Role: Director

- Collaborated with faculty, directors, cast, and crew across multiple short film productions, contributing to pre-production, production, and post-production activities.
- Prepared script breakdowns, shot lists, call sheets, and shooting schedules to support efficient production planning.
- Coordinated communication between direction, cinematography, art, sound, and production departments to ensure seamless workflow.
- Managed on-set operations, continuity, actor rehearsals, location scouting, and production logistics while maintaining shooting schedules.
- Assisted in editing, sound synchronization, and post-production processes, while resolving on-set challenges to ensure smooth project execution.
